Recipients

Hi Emily,

Thanks so much for giving me Joy's number! She helped explain A LOT but I have a TON of stuff to figure out in detailing the billing for those months.

Our bookkeeper is out of the office today but will be back Monday and I definitely am going to need her assistance. So, I won't have my invoice done until sometime on Monday afternoon - she doesn't come in until 1pm.

I just wanted to give you a heads up so you knew since it won't be to you before the 15th. I am really sorry about that and will make sure that the rest of them are to you before the due date!

Have a great weekend!
